

Troxler Service

Trust the Leader

Troxler Electronic Laboratories, the leader in construction testing equipment for over 50 years, offers state of the art service using the latest technology at locations across the US. With 5 Troxler Service Centers and 3 Service Partners, you're never far from a friend.

Protect Your Investments

Protect your investments with a Troxler Service Agreement. Choose one of three simple and straight-forward offers, Maintenance and Calibration, Extended Warranty or a Full Service Agreement, to ensure your equipment stays in working order and your downtime is reduced. Contact your Troxler representative or nearest Service Center to learn more.
